Cursillo is about Commitment:

The January Footprints (Check web site for copy) contained an entire page on "Cursillo is about Commitment." **When is the last time something happened in your life that only could have been from God?** If you are having trouble remembering, then is your relationship with Jesus continuing to grow? If you answer no, then pray about using the tools of Cursillo to grow your relationship with Jesus. Go to the web site and prayerfully complete a 2004 Cursillo Commitment and mail it today. Most of us need accountability to change and grow; the Cursillo commitment is the first step. By the way, you will need to complete a 2004 Cursillo Commitment to sponsor candidates, work on 3 day weekend teams, and work on the servant community teams. But make the commitment for yourself and for your relationship that lasts throughout eternity, the one with Jesus Christ.

Sponsorship/Worship:

After your commitment to your own spiritual growth through a "4th day support group," sponsoring future leaders to participate in the Cursillo method will bring God joy. Pray for discernment on who God is asking you to approach for attending a 3-day weekend this year. To prepare you for your duties as a sponsor, you will need to receive sponsor training unless you have already completed training this year. When we follow God's plan for our lives, we bring him joy. That's what worship is all about. Sponsoring a candidate to a 3 day weekend can be a form of worship.

Opportunities Servant Community service:

The following Servant Communities do the work of Cursillo. Without their work, there would be no Anglican Cursillo in the East Bay. I encourage each of you to review the activities of the Servant Communities and find the one that best matches your gifts and talents, and just come to one meeting. If you feel you have passion or can contribute, great; get involved.

Administration Servant Community: (Tom Henry (925) 240-7274)

Meeting Date/Place: 4th Tuesday of month (Even Months) 7:00 PM @ St. Stephens Episcopal Church, 66 St. Stephens Dr., Orinda (4/27, 6/22, 8/24, 10/26.) Current Activities: Bylaw changes, Clergy Relations, Data/Web Management, Financial Planning, Long Range Planning.

Pre-Cursillo Servant Community: (Sherrie Sheets (925) 846-6881)

Meeting Date/Place: 4th Tuesday of month(Even Months) 7:00 PM @ St. Stephens Episcopal Church, 66 St. Stephens Dr., Orinda (4/27, 6/22, 8/24, 10/26.) Current Activities: Developing local church contacts for non-Episcopal congregations, Sponsor Training.

3-Day Weekend Servant Community: (Halle Kistenmacher (925) 933-8235)

Meeting Date/Place: 4th Tuesday of month (Even Months) 7:00 PM @ St. Stephens Episcopal Church, 66 St. Stephens Dr., Orinda (4/27, 6/22, 8/24, 10/26.) Current Activities: Monitoring and Supporting 3 Day weekends at Angela Center, 3-Day Weekend Location Evaluation & Planning.

Post Cursillo Servant Community: (Mark Mueller (925) 862-0780)

Meeting Date/Place: 3rd Tuesday of month (Even Months) 7:00 PM @ St. Claire's Episcopal Church, 3350 Hopyard Road, Pleasanton. (4/20, 6/15, 8/17, 10/19.) Current Activities: : Developing local church contacts for Episcopal congregations, Ultreya planning/coordination, 4th day coordination.

May Secretariat Meeting Date Change:

The May Secretariat Meeting will be on Wednesday, May 26 , NOT Tuesday, at 6:15 for Pot Luck dinner followed by the meeting at 7:00 P.M. We will begin with the Annual Corporation meeting which will consider proposed changes to the corporation bylaws. The last changes were in the 1970's. Changes to the current practices of the Secretariat will also be considered.

(Continued from page 1)

Rector/a Discernment process for 2005 Cursillos:

On January 22, there was a discernment held to determine the Rectors and Rectoras for the 2005 3-Day Weekends. The results of that discernment is:

2005 Men's Weekend, June 2-5	D.A. Reed, Rector
2005 Women's Weekend, June 23-26	Naomi Chamberlain
2005 Coed Weekend, Oct. 6-9	Jim & Pam Luhman

Kairos Prison Ministry Service:

Read Jackie Cuneo's report on the February Kairos weekend held at Valley State Prison at Chowchilla for Women; the Holy Spirit was on overtime that weekend.

Leadership Training on March 13:

Read Dick Brown's report on the Leadership Training Session held March 13 at the Angela Center in Santa Rosa.

Web Site - cursilloca.org:

The cursilloca.org web site continues to be updated. This edition of Footprints will soon be there along with past issues. There is a dynamic page on Sponsorship that lists all the sponsor training sessions that have been scheduled by local congregations. Contact Tom Henry (TRHenry9@comcast.net) to list one scheduled for your community. The calendar of events is also updated to give you a preview of events and contact information for all Cursillo events in the East Bay. There is also the 2004 Cursillo Commitment form along with Candidate and Team applications. A special thanks to Steve Shaffer for all his work as Web Master.

Grand Ultreya and Cursillo Beyond:

See the enclosed article and mark your calendar now for Saturday, Sept. 11.

Cost of the Weekend: (This is an important change for team and sponsoring)

The 3-day weekend now costs \$160 for both candidates and team members. Some communities pay for their candidate's weekend. If your community does not do this, you might want to begin the process in your community.

The payment of the weekend is needed PRIOR to the weekend for both candidates and team members. You need to decide who and how the weekend payment can be made. You may want to share it with your candidate, share it with your community, or some other innovative approach. There are long-term payment plans without interest of \$10 or \$20 dollar amounts per month or any other plan they wish. There is some money set up for limited, partial scholarships. You need to talk to your rector/a if you should feel, after talking with your candidate, that they cannot afford any where near the \$160 cost of the weekend. No one should be turned away from the 3-day weekend due to a lack of money. The Secretariat believes that everyone can contribute something and full scholarships should be extremely rare.

If a team member or candidate pays and is unable to attend, they can request that they be automatically placed in the next available 3-day weekend or request a refund. Refunds will be at \$160 unless during the 7

days prior the start of their 3-day weekend, then it will be \$130 (\$30 has already been committed for food.) Refund are requested to Sherry Sheets at (925) 846-6881)

THE ROAD AHEAD (2004-2005)

By Dick Brown

At the May meeting of the Secretariat I will assume the position of Lay Director and President of the Anglican Cursillo of California. I am looking forward to serving the Cursillo Movement in this leadership role and I am especially looking forward to working with Charlie Gallagher who will take my current position as Assistant Lay Director.

This past year I have had the pleasure to work very closely with Tom Henry, our current Lay Director, and Steve Shaffer, our immediate past Lay Director as we charted a new direction for the Anglican Cursillo of California. Each of these men has given their all because they love Cursillo. The same holds true for many others who give unselfishly of their time and energy. As assistant lay director I have certainly learned a great deal, and I am very pleased with the direction we are taking. However, there still remains much to be done.

My goals for the coming year will remain the same as the Goals of the Secretariat which we refined this year:

- ? To promote the Movement
- ? To oversee the working of the Servant Communities
- ? To establish policies and procedures which will assure an active Fourth Day program
- ? To coordinate a campaign for Palanca
- ? To foster the spirit of Group Reunion among all members of the Cursillo Community

Within the above named **goals I expect the Servant Communities to assume a much greater role** in discussion, the development and review of specific guidelines and procedures for their respective responsibilities, and be the avenue by which the primary work of the Cursillo Movement is done. I want them to also become communities of support and encouragement for all of their members. They need to pray, and share concerns that are on their hearts. One might say they should be the tripod involving piety, study, and action.

I want to see a **greater emphasis placed on fostering a**

spirit of Group Reunion among all who are members of the Cursillo Community. The 4th Day must become the primary focus for all of us. I will be relying on all those who choose to get involved with the 4th Day Servant Community, under the leadership of Mark Mueller, to be the source of inspiration in helping us bring this about.

I expect the Secretariat **to serve as the legal administrative body overseeing the BIG PICTURE**, but not involve itself with all the smaller details. As the officially designated body we need to set the goals and direction, and then let the Servant Communities do their work. The framework for this began this past January. The Secretariat now meets only during the months of January, March, May, July, September, and November. The Servant Communities meet during the months of February, April, June, August, October, and December, and at other times as needed.

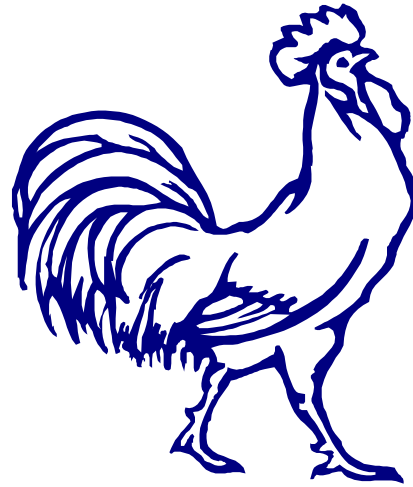

In promoting the Movement I would like to see us concentrate heavily on **enhancing clergy relations**, and continue with the process of **educating Cursillistas on the basics of the Movement.**

It has been said that one can tell where an organization places its emphasis by the amount of time, energy, and finances it puts into a particular aspect. While the 3 Day Weekends are a part of the entire Movement, they should have no more emphasis than the 4th Day, Pre-Cursillo activities, or clergy/local church relationships.

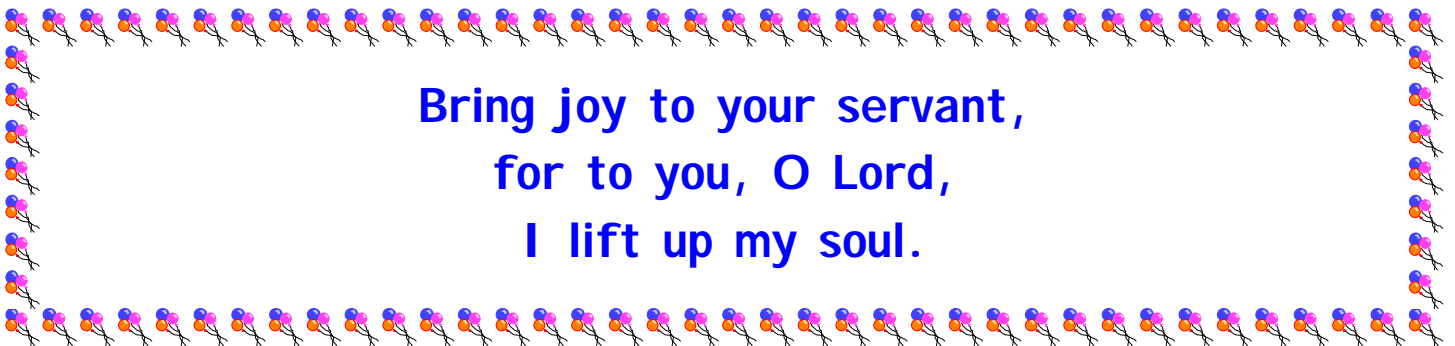

We will still continue **to refine and update some of our processes and procedures**, and I plan to serve actively in the Administration Servant Community. I view my role as the "discerned" administrator, and administration is what I love. However, I recognize that the mark of a good administrator is to empower others to effectively do their jobs while overseeing the BIG picture.

I look forward to working with each of you and I pray that each and every one of you will make the commitment to serve in some capacity that will continue to promote the Anglican Cursillo Movement in northern California.

DE COLORES

Bring joy to your servant,
for to you, O Lord,
I lift up my soul.

History of the National Day of Prayer

*Ed. Note: Because of the timing of this issue of Footprints, May 6 may be passed by the time this reaches readers. Please understand that **every day** can and should be a "National Day of Prayer."*

Because of the faith of many of our founding fathers, public prayer and national days of prayer have a long-standing and significant history in American tradition. The Supreme Court affirmed the right of state legislatures to open their sessions with prayer in *Marsh vs. Chambers* (1983).

The National Day of Prayer is a vital part of our heritage. Since the first call to prayer in 1775, when the Continental Congress asked the colonies to pray for wisdom in forming a nation, the call to prayer has continued through our history, including President Lincoln's proclamation of a day of "humiliation, fasting, and prayer" in 1863. In 1952, a joint resolution by Congress, signed by President Truman, declared an annual, national day of prayer. In 1988, the law was amended and signed by President Reagan, permanently setting the day as the first Thursday of every May. Each year, the president signs a proclamation, encouraging all Americans to pray on this day

The National Day of Prayer is Significant:

The National Day of Prayer has great significance for us as a nation. It enables us to recall and to teach the way in which our founding fathers sought the wisdom of God when faced with critical

de-
cisions. It stands as a call to us to humbly come before God, seeking His guidance for our leaders and His grace upon us as a people.

Anglican Cursillo of California and the National Day of Prayer

This year the Secretariat invites you to participate in the National Day of Prayer on Thursday, May 6, by including the following petitions of Anglican Cursillo of California in your prayers:

Thanksgiving for blessings you have provided to those who know and love You more deeply; for joy and love experienced by those involved in working 3-day weekends and participating in 4th day group sharing; and for the lives that have been changed through Your use of Cursillo

That God would give wisdom and guidance to the leaders of the Secretariat and the leaders of the upcoming weekends as they seek to discern and follow Your plans for the future.

That God would bless all who perform unselfish service to others; that they would receive the true joy that comes from You.

That God would touch the hearts of Curisillistas who have not made a commitment to Cursillo for 2004 that they would prayerfully make a commitment to the future of the Cursillo movement.

That God would open the hearts of Curisillistas to become trained and sponsor a prayerfully selected candidate to one of the three weekends this year.

That God would inspire Curisillistas to share their gifts and talents with the Servant Communities of the Anglican Cursillo of California.

(Add your own petitions as you wish)

Changes for Future Three-Day Weekends

Since the last 3 Day Weekends our Secretariat has made several changes. Some of these changes are due to the driving distance and others are to change the mood of the weekend.

Sponsors will be asked to bring their candidates to the Angela Center by 8:00 pm on Thursday (new time). The sponsors will drop their candidates off and then go to the chapel. Since the mood for Thursday evening is not one of celebration, there will not be a combined service of any kind with the sponsors, team and candidates. The lighting of the candidates' candles will take place at the sponsors' meeting.

Agape and Reconciliation Service will be simplified to allow for "spiritual conversation" and "reflective meditation" among the team and the candidates. (Each team and their spiritual advisors will work out the details.) More time on the weekends will be devoted to spiritual reflection and meditation as determined by the teams.

Two items that have changed because of driving distance. First, there will be NO Community Serenade on Saturday evening, and second, there will be NO Mananitas early Sunday morning. Teams may do an early morning Mananitas if they wish. Also, weekends for the next two years will be held at the Angela Center in Santa Rosa. The Big Community involvement will take place on Sunday afternoon for Clausura. This will be a celebration with singing, recognition of the new Cursillistas and a community celebration of the Eucharist. (Teams will tell you what time to be there.) This one great celebration will minimize the number of times the outside community will have to travel to Santa Rosa, but don't let the distance frighten you away as it is an easy drive on Hwy 101 and the Angela Center is easy access from the freeway.

A TRUE GIFT OF COMMUNITY PALANCA can come in the form of attendance at Clausura and being at the Angela Center by 1:00 pm on Sunday to help with the clean-up and

(Continued on page 5)

(Continued from page 4)

packing of items for the shed, etc. As is our tradition, the previous team will be asked to arrive early Sunday afternoon to clean-up. Other palanca should be selfless acts of prayer, fasting, offering to clean-up, offering to provide food items, etc. Please keep photocopied paper stuff and bags

of bed palanca at a minimum. The Secretariat has adopted GUIDELINES FOR PALANCA which is available to all churches and communities.

I am looking forward to being a part of a 3 Day Weekend team at the Angela Center as it is a beautiful facility.

Kairos Comes to Valley State Prison for Women!

They came with smiles. They came thanking the team from the moment they walked through the door. For a moment, I think they forgot that they were in prison. Who are "they"? They are the women at Valley State Prison for Women in Chowchilla, Ca. who made Kairos #1.

Kairos #1 took place February 13-16, 2004. The theme was "Faith, Hope and Love". God brought together a band of 48 angels from the outside that began meeting in January to plan this weekend. This committed group of women came from as far north as Grass Valley, to as far south as San Diego and all points in between. For some, it was their first time working and for others it was one of many. For all, it was a spiritual journey beyond measure.

Each morning when the residents arrived, the team affirmed them by announcing each one by name, and then lots of cheering and clapping for them. Every evening when they left, the team lined up near the doorway and the residents hugged their way out. Many of the residents said that those were the most peaceful nights of sleep they'd had in a long time.

Cookies, cookies, cookies— does anyone want a cookie? God blessed the weekend with an over abundance of cookies. The entire institution benefited from the blessing. As a matter of fact, we left behind several 20 gallon trash bags filled with cookies. The residents enjoyed the variety. Each night they took cookies back home with them, plus the extra bag of cookies to share with those that they had forgiveness issues with. One resident shared afterwards that she was able to renew a friendship with another resident that had not spoken to her for over a year.

The Agape for this weekend was overwhelming. First of all, was the prayers that were prayed, from the beginning of team formation to the end of the actual weekend. Many of the team members commented on how they just felt the power of prayer the entire time. The residents saw the visible signs of this in the hundreds of colored symbols throughout

the community room. Each resident received about 125 agape letters in their bags. One of the residents, after she had received her letters, her eyes red from crying, swore it was a "set up". Another said she couldn't believe all the letters with "my name on them". There were some, so over-taken with emotion, that could only read a couple of the letters. And there were a couple that received "mail" for the first time in years.

The Spiritual Companions put on their "Listen, Listen, Love, Love" shoes, as they were in demand, throughout the weekend. About half of the residents requested Spiritual Counseling, and of course they got it. There were clusters of two scattered about the gym, where the weekend took place.

Due to security reasons, the institution limited the closure to 30 outside community. As we all headed towards the visiting room for the closing, there were a few moments of hesitancy from a couple of the residents. They had never had a visit since being incarcerated, and had never even seen the inside of the visiting room. But as the residents and team entered, they were greeted with a resounding round of applause and lots of cheers. Many got up to share their experience and feelings. One woman said that because of what she had experienced, she was glad that she was in prison.

As the Kairos Ministry continues at VSPW, we are happy to report that 41 out of the 42 residents that made the weekend, came to the instructional reunion 2 weeks later. They have committed to meeting weekly in small groups and have already set up days and times to meet.

Throughout the weekend lives were changed, hearts were opened and wounds were healed. Our "Faith" brought team and residents alike to this weekend. God's "Hope" and "Love" filled us all.

NEW LEADERSHIP TRAINING

Saturday March 13th saw a little over forty people gather at the Angela Center in Santa Rosa for the first of our new leadership training sessions. The weather was beautiful, the facility is fantastic, and the company of our fellow brothers and sisters in Christ made for a great gathering. This is the first of our new leadership training sessions that will be required for all those who plan to work on a 3 Day Weekend team or serve in some capacity in the Anglican Cursillo Movement of northern California.

Tom Henry, our current lay director, began with a devotional and then talked about why leadership training is important and for commitment to growth and service for Christ through the Cursillo movement.

Rev. Ralph Calabreze discussed all aspects of The Cursillo Process and reiterated that the primary purpose of Cursillo is to change the world for Christ. He emphasized the importance of simplicity. Tom followed this by discussing several new aspects within the Secretariat as they relate to finances, the servant community structure, and the discernment process that we use.

Dick Brown summarized the main tasks and responsibilities for all those who work on a weekend team as well as for the sponsors and outside community. There are many

revisions that need to be fully understood. One of the basics is that each person has the responsibility to fully understand and be committed to the Cursillo Method and Purpose.

Fr. John Rawlinson concluded the morning session by talking about the Rollo process and how everything flows together. This is well laid out in a graphic that was given to each participant.

After lunch and a tour of the facility, the weekend teams had the opportunity to meet together and get better acquainted. To conclude the all day session, Tom Henry provided sponsor's training for those in attendance. Halle Kistenmacher discussed the changes to the weekend events as it relates to the outside community and the sponsors. Clausura will become a larger segment for the outside participation as the new Cursillistas are welcomed back into the larger Cursillo community.

Fr. John, Fr. Steve, and Rev. Ralph celebrated the closing Eucharist before we departed for home.

It was a great day for all those in attendance.

Dick Brown, Assistant Lay Director

PROPOSED CHANGES TO BY-LAWS and POLICIES and PROCEDURES

At the March 23, 2004, Secretariat meeting a list of proposed changes to the corporation By-Laws was introduced, as well as proposed changes to the Policies and Procedures of the Secretariat. Copies were handed out to all those in attendance. If any other member of the corporation (all who have been on a 3 Day Weekend) wishes to receive a copy of the proposed changes they should contact Dick Brown.

These changes were discussed at a meeting on April 27, 2004, at St. Stephen's Episcopal Church in Orinda beginning at 7:00 p.m. The proposed changes and/or modifications will be voted upon at the annual meeting of the corporation on WEDNESDAY MAY 26, 2004, at St. Stephen's Episcopal Church in Orinda beginning at 7:00 p.m.

The By-Laws were written in 1978 and have not been changed since that time. Needless to say there is much in this document that no longer applies or is not appropriate for our non-profit religious corporation. The main changes deal with membership, annual meeting, and general powers of the Secretariat, officers, servant communities, and future amendments.

The General Policies and Procedures of the Secretariat have not been updated since 1984. Much has changed in the past twenty years. Again, it is time to get "our house in order". The major changes deal with Organizational Structure, Functions of the Secretariat, and Servant Community Responsibilities and Operations. These are all in keeping with our new organizational structure. In addition it is being proposed that the Secretariat be a designated group of officers and leaders rather than just anyone who attends the meetings. Also being proposed is that the conduct of Secretariat meetings changes from "Rule of Consensus" to "Roberts' Rules of Order".

Again, if you would like a copy of the proposed changes please contact Dick Brown at (925)229-4528 or e-mail at dickb37154@hotmail.com.

THIS ARTICLE SERVES AS A WRITTEN NOTICE TO ALL MEMBERS OF THE CORPORATION

Dick Brown, Assistant Lay Director

Which *Servant Community* do your talents fit?

God is calling you! Can you hear Him?

Can you say, “Here I am Lord!”

WE NEED YOUR HELP!

Every candidate is offered the opportunity to become a contributing part of the Cursillo community in various ways after his or her Weekend. One of these ways is to serve on a future Weekend Team. Work applications are included in each candidate's packet. When completed and returned with a Commitment/Involvement form, they are filed in the “Books” and used by Rectors and Rectoras along with their Core teams to form their teams using the available information.

HERE IS WHERE WE NEED YOUR HELP, PLEASE.

The

“Books” have gotten unwieldy in size, are missing applications, have outdated information, and in general, are just not a valid tool anymore. They are still an important part of our history, however. The plan is to create a database to be used instead of having to wade through all of the applications every time a team is formed. However, no database is valid unless the data contained in it is valid, and this is where we are counting on YOU!

1. If you have never submitted a work application and wish to do so, you can print one from our website under documents at www.cursillo.org, or call Bev Brown at

(925)229-4528, and one will be sent to you along with the Commitment/Involvement form. If you want to check on the status of your work application, please contact Bev (bevybee60@hotmail.com).

2. All work applications must have a completed Commitment/Involvement form on file regardless of how many times you have served in the past. Again, this can be obtained from the website or from Bev. Return it promptly if you haven't done so yet, and thanks to those of you who have!

We do have an inactive file of Work Applications made up of those who have:

1. Requested it.
2. Have been called to serve at least 3 times, and have responded negatively.
3. Moved from the area, or changed address or telephone number, and we have exhausted all avenues of getting an update.

If your work application is in the inactive file, we would be happy to reactivate it with a contact from you.

If you have received a call to serve within the last three years and responded that you were not able to at that time but wished to be contacted for a later date, you are still considered active.

We are asking each of you to help us in the ways outlined in this article. We track between 500 and 700 people in our Cursillo community, and the only way we can do this is with valid information. We appreciate your support in this effort.

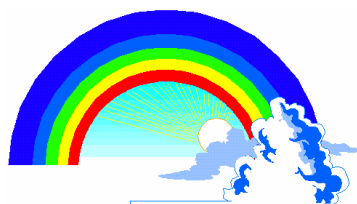

Bev Brown
